## **Educational Psychology: Constructing Learning** Dennis M McInerney

Educational Psychology: Constructing Learning 6e sets the standard for educational psychology texts in Australia and New Zealand, with its comprehensive, authoritative and research-based coverage of the subject.

This edition includes completely updated content to reflect recent advances in the discipline, including revised theory into practice features from 39 international developmental psychologists. The author has retained the constructivist approach that made previous editions so engaging and relevant to student teachers, and content has been constructed around the new Australian Profession Standards for Teachers.
