Equine ER: Stories from a Year in the Life of an Equine Veterinary Hospital Leslie Guttman

Equine ER is a wonderful hook, wrenching, uplifting, and a powerful window into the great love, empathy, and connection humans have for horses and other animals. It is an emotional thriller, really, a roller coaster, as dramatic and well paced as it is well written and brilliantly observed. Anyone who has ever loved an animal will be hypnotized by these wonderful stories - Jon Katz, New York Times best-selling author whose books include Soul of a Dog and A Dog Year.
