James (Tyndale New Testament Commentaries)

Douglas J. Moo

James (Tyndale New Testament Commentaries) Douglas J. Moo

The genius of the letter of James lies in its powerfully simple call for repentance, for action, for a consistent Christian lifestyle. In this revised commentary Douglas Moo allows James's words to cut through our theological debates, our personal preconceptions, our spiritual malaise and return us to an invigorating, transforming Christianity. This second-edition volume in the storied Tyndale New Testament Commentary series includes a new extensive introduction, analysis and section-by-section commentary of the book of James. "The Bible is being translated, commented on, read, studied, preached and analyzed as never before. But it is questionable whether it is being obeyed to a comparable degree," says Moo in the preface. "All this suggests that the message of James is one that we all need to hear?and obey." The Tyndale New Testament Commentaries have long been a trusted resource for Bible study. Written by some of the world's most distinguished evangelical scholars, these twenty volumes offer clear, reliable, and relevant explanations of every book in the New Testament. These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means. The introduction to each volume gives a concise but thorough description of the authorship, date, and historical background of the biblical book under consideration. The commentary itself examines the text section by section, drawing out its main themes. It also comments on individual verses and deals with problems of interpretation. The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today.
