Mary Austin

The Basket Woman: A Book Of Indian Tales (Western Literature Series) Mary Austin

Through the kindly but mysterious Basket Woman, cocky young glaciars, ancient Paiutes, and clever rabbits become the companions and teachers of Alan, the young son of homesteaders in early Nevada. The Basket Woman doesn't simply tell stories: She transports her young friend into powerful mythic tales where Alan learns the secret of the trees and animals and the wisdom of the people who flourished before the arrival of white settlers. A preface by Austin and a new introduction by Austin scholar Mark Schlenz provide ample context for a multilevel appreciation of one of this remarkable writer's most important works.
