It is a moment in the near future when the threat of terror has cultivated rage, apathy, and panic across the country. For Phil, a dermatologist at the UCLA hospital, it is a time of unease, in contrast to the days when he coasted through life on his good looks and middling charm. In addition to having to deal with his mother, Edith, who's emerging after years of grieving over her late husband, Phil has been recruited for a secret terror-response team.
