Worthy of the Cause for Which They Fight: The Civil War Diary of Brigadier General Daniel Harris Reynolds, 1861-1865 (Civil War in the West) (The Civil War in the West) Robert Patrick Bender *Worthy of the Cause for Which They Fight* chronicles the experiences of a well-educated and articulate Confederate officer from Arkansas who witnessed the full evolution of the Civil War in the Trans-Mississippi Department and western theater. Daniel Harris Reynolds, a community leader with a thriving law practice in Chicot County, entered service in 1861 as a captain in command of Company A of the First Arkansas Mounted Rifles. Reynolds saw action at Wilson's Creek and Pea Ridge before the regiment was dismounted and transferred to the Army of Tennessee, the primary Confederate force in the western theater. As Reynolds fought through the battles of Chickamauga, Atlanta, Nashville, and Bentonville, he consistently kept a diary in which he described the harsh realities of battle, the shifting fortunes of war, and the personal and political conflicts that characterized and sometimes divided the soldiers. The result is a significant testimonial offering valuable insights into the nature of command from the company to brigade levels, expressed by a committed Southerner coming to grips with the realities of defeat and the ultimate demoralization of surrender.
