Desires Entwined: Book 3.5

When Alexander James Noble looks in the mirror, he sees a freak looking back at him. Despite his high grades and plans for culinary arts school after graduation, his parents would hate him if they really knew him.

Forced on a shopping trip with his twin sister, Lyric, and her friends, Alex eyes the girls jealously, longing to be able to dress like them—to be them. The constant struggle of being “gender fluid,” wrestling with an identity that seems to change daily, begins to wear on Alex. But all those questions and fears seem more manageable when his sister gives him his first skirt and lace panties.
