## Boomerang Bride Fiona Lowe

*Matilda Geoffrey had risked it all for love.*

She'd left Australia to be with Barry—the man who had swept her off her virtual feet. Now, wearing a wedding dress, she's alone on Main Street in small-town Wisconsin, and things aren't working out exactly as planned....

In town for his annual family visit, Marc Olsen had never seen a bride quite like Matilda—staring into a storefront window, holding a tottering wedding cake and looking desperately in need of a groom. He doesn't have many warm feelings for his hometown, but meeting Matilda just as she discovers she's been scammed by her online "fiancé" stirs something in him.

Matilda is not the kind of woman Marc imagined himself with, and Marc is anything but the romantic hero that Matilda has always dreamed of. But as unlikely circumstances throw them together, can they let go of their misconceptions and risk their hearts for love?

93,000 words

"Boomerang Bride is one of the best romance novels this reviewer has read in a long time. Top Pick."
