## **El misterio del tren azul** Agatha Christie, Christie Agatha

El Tren Azul con destino a Niza transporta una valiosa carga: el mayor rubí del mundo, el Corazón de Fuego, un regalo de un magnate americano del petróleo para su querida hija, Ruth Kettering. Pero al llegar a la Costa Azul, se descubre que la propietaria de la joya ha sido brutalmente asesinada y que el rubí ha desaparecido. El millonario Rufus Van Aldin, muy afectado por la muerte de su heredera, contrata al detective Hercule Poirot para que resuelva el estremecedor suceso. El caso irá adquiriendo una creciente complejidad a medida que Poirot descubra el turbulento pasado de la víctima: su recientemente frustrado matrimonio, la tensa relación que mantenía con su padre y la existencia de un ex pretendiente con quien debía encontrarse en Niza. Es un caso aparentemente imposible de resolver, donde todos son sospechosos y ningún indicio conduce al culpable. Una historia de intriga apasionante donde nada es lo que parece que mantendrá al lector sin aliento hasta la última página. Hercule Poirot no es un toxicómano atormentado, como Sherlock Holmes, o un glotón desencantado, como Pepe Carvalho, o un alcohólico cínico, como Philip Marlowe. Es un sibarita que vive como un pachá e idolatra el clasismo británico. Del Prólogo de Enric González
