Purpose: Audio-Digest Foundation CME/CE activities are designed to provide its learners – physicians and other healthcare professionals – with continuing education that will help identify clinical problems in their practice settings, provide content to help to solve those problems, and increase their application of knowledge to practice.

Audio-Digest Emergency Medicine is specifically designed to provide the participant with state-of-the-art information, including, but not limited to, the care of patients presenting to the emergency department in such areas as:

Airway management
Asthma
Bite wounds
Burns
Cardiovascular emergencies
Domestic violence
Drug abuse
Envenomations
Infectious diseases
Ingested foreign bodies
Gastrointestinal emergencies
Psychiatric emergencies
Risk management
Pain management
Poisoning & Toxicology
Resuscitation
Sports injuries
Trauma

Educational Objectives

The goal of this program is to reduce the clinician's risk of losing his or her license to practice medicine and of being sued for malpractice. After hearing and assimilating this program, the clinician will be better able to:

1. Establish a workplace environment in the emergency department in which sexual harassment is not tolerated.
2. Recognize the risks resulting from sexual misconduct and workplace romance.
3. Elaborate on the exceptions to the Health Insurance Portability and Accountability Act privacy rule.
4. Describe the physician's assistant supervision agreement.
5. Recognize the legal responsibility of the supervising physician for actions taken by a midlevel provider.
