Information Systems: A Manager's Guide to Harnessing Technology John Gallagher

Information Systems: A Manager's Guide to Harnessing Technology is intended for use in undergraduate and/or graduate courses in Management Information Systems and Information Technology. One of BusinessWeek's "Professors of the Year", John Gallagher of Boston College, brings you a brand new Management Information Systems textbook that teaches students how he or she will experience IS from a Managers perspective first hand through interesting coverage and bleeding-edge cases. Shockingly, at a time when technology regularly appears on the cover of every major business publication, students find IS among the least appealing of management disciplines.
