The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime) Hervey Garrett Smith

Few writers, or perhaps even sailors, can rival Harvey Garrett Smith when it comes to thoroughly understanding and articulating the many traditional arts of maritime culture. Originally published in 1953, this slim but comprehensive volume is the perfect shipboard reference for modern yachters and boaters as well as any landlocked souls who dream of the sea.

In this one of a kind treatise on maritime skills and practices, Smith offers a master class on how to rig, work, and maintain a ship. With over 100 illustrations accompanying Smith's salt-soaked prose, you'll have no trouble grasping the ins and outs of handling a ship, the various sailor's tools, a wide range of knots and hitches, as well as the art of splicing, hand sewing, and canvas work. Further subjects include proper coiling, stowing, and belaying techniques, proper towing procedure, net making, and decorative knot-tying.

With *The Arts of the Sailor* in your quarters, you'll be able to handle anything the high seas can throw your way!

Frankie Graybill:

What do you consider book? It is just for students as they are still students or that for all people in the world, the particular best subject for that? Simply you can be answered for that concern above. Every person has different personality and hobby per other. Don't to be pushed someone or something that they don't would like do that. You must know how great in addition to important the book The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime). All type of book would you see on many solutions. You can look for the internet solutions or other social media.

Robert Jenkins:

The reason why? Because this The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime) is an unordinary book that the inside of the publication waiting for you to snap that but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I were being you I will go to the e-book store hurriedly.

Mary Tiller:

That publication can make you to feel relax. That book The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime) was colourful and of course has pictures on there. As we know that book The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime) has many kinds or category. Start from kids until young adults. For example Naruto or Detective Conan you can read and think you are the character on there. Therefore not at all of book are usually make you bored, any it makes you feel happy, fun and chill out. Try to choose the best book in your case and try to like reading that will.

Josue Denson:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Arts of the Sailor: Knotting, Splicing and Ropework (Dover Maritime) can make you truly feel more interested to read.
