Praise for *The Wedding Trap*

RomanceJunkiesReviews.com says:

THE WEDDING TRAP is a contemporary romance that has the bent of a romantic suspense with added spice thrown in. The book drew me in and I was immersed in the intrigue immediately...Kept me turning the pages.

This is the first book in the series and I look forward to reading the others and hopefully being reunited with some of the characters we met here. Bell is a new to me author and I will definitely be adding her to my TBR pile.
