What's Fair: And Other Short Stories Ben Shapiro

Ben Shapiro releases his first book of short stories!

In "What's Fair," an incredible invention leads to bloody brutality when an unsatisfied brother decides he hasn't received what he's owed.

In "From The Pit," an adventurer shrinks to microscopic size to clean up the environment -- but finds himself targeted for murder when he is accidentally ingested into the body of his mysterious employer.

In "Utopia," a man abandons paradise when he realizes that paradise isn't all that it's cracked up to be -- but his escape poses a threat to that paradise.

From science fiction to parable, from love to violence, Shapiro's exciting stories capture the imagination.

Ben Shapiro is the author of six nonfiction books, including The New York Times bestselling "Bullies" (Simon and Schuster, 2013). He is editor of DailyWire.com, editor-at-large of Breitbart News, co-host of KRLA 870's "The Morning Answer" in Los Angeles, and a nationally syndicated columnist. Labeled "brilliant" by Rush Limbaugh, a "warrior" by Glenn Beck, and "a foe of extraordinary polemic agility" by the Washington Post, Shapiro is widely considered one of the most prominent young conservatives in America.

This volume contains his first foray into the fiction world.
