Spared by her would-be executioner, Snow White finds a home with seven kindly dwarfs, but the hateful queen who wants her dead will stop at nothing to be the most beautiful woman in the land. A poisoned apple seems to send Snow White to her death, but true love brings her back, and good once again prevails.

Paul Heins's graceful words and Trina Schart Hyman's expressive artwork create a dramatic retelling of this classic tale, filled with movement and passion that will enchant readers of all ages.
