One of the signal features of our era is the re-emergence of the 'sacred' in all its different guises, from New Age paganism to the emerging religious sensitivity within cultural and political theory.

The wager of Žižek's *The Fragile Absolute* – published here with a new preface by the author – is that Christianity and Marxism can fight together against the contemporary onslaught of vapid spiritualism. The revolutionary core of the Christian legacy is too precious to be left to the fundamentalists.
