Your mother's suicide attempt has left her in a coma from which she's never waking up. You know that she wouldn't want to live like this, but could you really help her die? Here you are, making the hardest decision of your life and there's no one to help you: Your father has disappeared into depression. Your best friend is becoming someone you no longer want to know. There is a girl who could help, maybe, if you'd let her. But in the end, it's all up to you.
