The Great Commission to Worship: Biblical Principles for Worship-Based Evangelism David Wheeler, Vernon M. Whaley

The Great Commission to Worship looks closely at the intertwining relationship between worship and evangelism as the foundation for the fulfillment of the Great Commission. Authors David Wheeler and Vernon Whaley cite Scripture to explain "The Mandate of Worship and the Great Commission" and then show how worship—in relation to the Great Commission—is formational, transformational, relational, missional, commissional, and reproducible. Each chapter includes five "life questions" for reader reflection while the book concludes with steps for practical application and ten principles for developing "lifestyle worship evangelism."
