Every new convert needs this clear understanding of how to be victorious. The battle Christians are engaged in is an ancient war between the forces of good and evil. Now that the twenty first century has arrived, the intensity of the battle has greatly increased. Jesus made powerful promises of abundant life. We are called to victory! We must understand the Biblical principles, as taught from scripture, that instruct us as to how we can win this spiritual war. As prophecy draws us to the very threshold of the second coming, we have no choice but to engage in battle as never before and win this conflict for our soul and the souls of this generation. This book explores spiritual principles that we can implement in our daily living to be victorious. It provides a foundation of true insight for the follower of Christ.
