Hunted is Book two in the Bitten series.

Werewolf magnets.

That is what my sister Cali calls us. I have to agree it's true. I am not lacking attention from the opposite sex here in the pack house. Everybody seems to love Dakota.

Well, except for the one man I can't get out of my head.

Maybe he avoids me because I'm human. Maybe it's because I'm being punished for what happened to the last guy that fell in love with me. Unrequited love is a real bitch no matter the reason.
