There were never such devoted sisters...

There were never such devoted sisters? Dr. David Lambert and his wife, Brianna, received the ultimate gift from her fraternal twin. They gratefully accepted it, of course, because everyone knows you can't return a baby like an itchy sweater. Yet, that's essentially what Brianna does when she has a meltdown and unexpectedly divorces David. She runs from their home in Redemption, Pennsylvania, and leaves their surrogate--her sister, Casey--pregnant with his little bundle.

When David chose her beautiful twin over her, Casey McIntyre hid her hurt behind a wall of sarcasm. Now that her sister has divorced her husband, it's increasingly difficult to remember why the hunky pediatrician is supposed to be off limits--especially since Brianna doesn't seem to want him or care if Casey and he get involved.

David always liked and admired his selfless ex-sister-in-law--despite that the sassy preschool teacher is always busting his chops. Consequently, after his wife bails on marriage and motherhood, it's only natural he turns to Casey for sympathy. Unfortunately, the exasperating pixie becomes more irresistible with each day she carries his child. He already mistook lust for love once and jumped way too fast into marriage. He's not about to botch up his life that way again.

Casey wants whatever happiness she can grab, whether it's temporary or not. The only problem is, if she lets herself love her baby (or David), what will happen to her when her sister inevitably realizes her mistake and returns to Redemption?
