The post-apocalyptic world isn't that bad. Sure, there are mutants. But, for the people of New Hope, daily life isn't so much a struggle of finding food or medicine as it is trying to find a new shortstop for their kickball team.

This makes it difficult for a post-apocalyptic warrior to find work.

Thankfully, an army full of killers is making its way to the peaceful town and plans to raze it to the ground. Only a fully trained post-apocalyptic nomadic warrior can stop them.

Two have offered their services. One is invited to help. The other is sent to roam the wasteland. Did the townspeople make the right decision? Will they be saved? Did they find a shortstop? What's with all the bears?

Find out in *Post-Apocalyptic Nomadic Warriors*, a fast-paced action and adventure novel set in a horrific future that doesn't take itself too seriously.
