**Now a *New York Times* Bestseller!**

Tony Zinni has served on the frontlines of war and peace--as a Marine in Vietnam, commander of troops in the Middle East, and diplomatic envoy. His wealth of experience provides fascinating insight into how the world works and a sweeping vision of America's role in it. Zinni argues that the roots of the world's growing turmoil are not being addressed and that America's aggressive confidence is making it worse--with potentially devastating implications for the safety of Americans. From the foxhole to the White House, Zinni's first-hand experience informs his view of how America can promote a more stable and peaceful world through realism and pragmatic cooperation with other peoples and states.
