Larger than Life

Kay Hooper

Larger than Life Kay Hooper

From *New York Times* bestselling author Kay Hooper comes a novel of romantic intrigue about a pop music sensation with an unforgettable voice—and a secret past she keeps hidden even from the man she loves.

What makes Saber Duncan sing with such passion? Her sensual voice moves women to tears and makes men want to go out and slay dragons to get close to her. Yet a few years ago this budding superstar was just another lightweight pop diva. So what changed? As her would-be biographer Travis Foxx embarks on a quest to uncover the painful secret in Saber's past, a mutual attraction intensifies. But he finds himself blocked at every turn by the walls she has thrown up to guard herself from outsiders. On a visit to her friend's Arizona hideaway for some much-needed R&R, Saber finds her carefully constructed defenses crumbling as bonds of trust begin to form between her and headstrong, persistent Travis. But will the arrival of a mysterious man from Saber's former life wreck the new one they hope to build together? Sometimes starting over means revealing *everything* about your past. Visit

From reader reviews:

Barbara Watson:

What do you consider book? It is just for students as they are still students or the item for all people in the world, the particular best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby for each and every other. Don't to be pushed someone or something that they don't wish do that. You must know how great as well as important the book Larger than Life. All type of book can you see on many methods. You can look for the internet solutions or other social media.

Elaine Sitz:

This Larger than Life tend to be reliable for you who want to become a successful person, why. The reason of this Larger than Life can be one of several great books you must have is actually giving you more than just simple examining food but feed a person with information that might be will shock your prior knowledge. This book is actually handy, you can bring it almost everywhere and whenever your conditions at e-book and printed versions. Beside that this Larger than Life giving you an enormous of experience for example rich vocabulary, giving you trial run of critical thinking that we understand it useful in your day pastime. So , let's have it appreciate reading.

Heather Delph:

Your reading sixth sense will not betray a person, why because this Larger than Life guide written by well-known writer who really knows well how to make book that could be understand by anyone who else read the book. Written throughout good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still doubt Larger than Life as good book not just by the cover but also through the content. This is one publication that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this specific!/? Oh come on your reading through sixth sense already said so why you have to listening to one more sixth sense.

Lillian Thornton:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just minor students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Larger than Life can make you really feel more interested to read.
