Legendary Locals of Ocean City Fred Miller, Susan Miller

Ocean City has been called America's Greatest Family Resort since the slogan was adopted by the chamber of commerce in 1920. But it has always been a gathering place for families, beginning in 1879 when the Lake family came here to build a Christian Seaside Resort. Since those early years, Ocean City has evolved into a community of diverse people, with the value of family still holding strong. While famous people, such as actress Grace Kelly and author Gay Talese, called Ocean City home, most of the people in this book are ordinary citizens. Many of these families are third and fourth generation. Some trace their roots back to the Lakes, others have grandparents or great-grandparents who came here as immigrants. Still others have moved here more recently; all contribute to making Ocean City a wonderful place to live and work.
