Bad Moon Rising Delilah Devlin

On a whim, romance author DiDi Devereaux decides to travel to remote Louisiana bayou country to take possession of a house she inherited from a reclusive relative. But before she reaches her destination, she drives her car into a ditch to avoid a large animal that leaps into her path. Rescue comes in the form of a sexy sheriff, whose gruff demeanor seems to hide a feral attraction. As DiDi settles into her new home she finds herself torn between her attraction to the sheriff and the raw, handsome bad boy whose offer to help her renovate her home is a little too convenient and tempting.

Nothing in Bayou Noir is what it seems. When strange things begin to happen, her natural curiosity leads her into danger...

Note: This is a standalone story. No cliff-hangers. Just lovely, shapeshifting Cajuns in the bayou...
