## **Dragon** Jody Bergsma

While Briana, the fair young Queen of Lugin, is giving birth to her first child, in the not-so-distant forest a most unusual hatchling is born to a beautiful green dragon.

Briana's son, Prince Langilor, is a shy and gentle boy, adored by his parents and the peaceful people of Lugin. Saras, the young dragon, becomes an arrogant bully, who terrorizes the dragon clan and threatens the Kingdom of Lugin.

During his twelfth year, Langilor stands before his parents and the Royal Advisors, who will judge his worthiness to become the future king. With ever-increasing threats from enemies to the north as well as the dangerous fire-breathing dragon, how could this gentle young Prince ever be strong enough to protect the kingdom?

### From reader reviews:

#### **Allen Reilley:**

Reading a e-book tends to be new life style within this era globalization. With examining you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire all their reader with their story or maybe their experience. Not only the story that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their skill in writing, they also doing some research before they write for their book. One of them is this Dragon.

#### **Ashley Davis:**

People live in this new day of lifestyle always attempt to and must have the free time or they will get large amount of stress from both day to day life and work. So , if we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we consult again, what kind of activity are you experiencing when the spare time coming to anyone of course your answer will unlimited right. Then do you ever try this one, reading ebooks. It can be your alternative inside spending your spare time, typically the book you have read is usually Dragon.

#### **William Holt:**

A lot of publication has printed but it differs. You can get it by online on social media. You can choose the most beneficial book for you, science, comedian, novel, or whatever simply by searching from it. It is called of book Dragon. Contain your knowledge by it. Without causing the printed book, it could possibly add your knowledge and make you happier to read. It is most critical that, you must aware about e-book. It can bring you from one spot to other place.

#### **Brian Rocha:**

E-book is one of source of knowledge. We can add our expertise from it. Not only for students but native or citizen have to have book to know the update information of year in order to year. As we know those books have many advantages. Beside all of us add our knowledge, can also bring us to around the world. By book Dragon we can consider more advantage. Don't one to be creative people? Being creative person must want to read a book. Only choose the best book that suitable with your aim. Don't end up being doubt to change your life by this book Dragon. You can more attractive than now.
