In my world, there's no such thing as having too many men, or too much of anything for that matter. I live my life the way that I want to and society be damned! But as much as I love my life, my poor, widowed mother believes that I am wasting my beauty and youth, and she has decided that in order to keep receiving my monthly allowance, I must marry a man of her choosing. Reluctantly, I return home to meet the five suitors she has selected for me to choose from. Each man is worse than the last and I am on the verge of telling mother to keep her money so I can return to my bohemian lifestyle. But then I meet the handsome, charming American, Charles, and suddenly I forget my old life, because he may very well be the love of my life.
