Core Curriculum for the Hospice and Palliative Registered Nurse HOSPICE and PALLIATIVE NURSES ASSOCIATION (HPNA)

In preparing nurses for this expanding role, it is vital to include up-to-date evidence to guide practice in this new 4th edition. Compared to previous editions, you will find the authors have included the latest evidence while retaining some of the classic literature, which provides important context and background. We are hopeful this evidence-packed 4th edition will serve as a preparatory guide for the board certification exam and a practice guide for the hospice and palliative care nurse.
