Tiger-Tiger, Is It True? is a story about a little tiger who thinks that his whole world is falling apart: his parents don't love him, his friends have abandoned him, and life is unfair. But a wise turtle asks him four questions, and everything changes. He realizes that all his problems are not caused by things, but by his *thoughts* about things; and that when he questions his thoughts, life becomes wonderful again. This is a heartwarming story with a powerful message that can transform the lives of even very young children. Byron Katie's wisdom-filled words and Hans Wilhelm's vivid, magical illustrations combine to make a book that will become one of the classics of children's literature.
