¡A Su Salud!: Spanish for Health Professionals, Classroom Edition is an intermediate-level Spanish language program designed for students and practicing healthcare professionals. Learners work with vocabulary and grammar within the context of a telenovela called *La comunidad*, which features authentic Spanish spoken by native speakers in a variety of accents.

This revised edition of the original multimedia package is ideal for classroom use. It includes a text and DVD with dozens of dramatic video clips related to exercises in the book.

Major features of the revised program include:

- * A DVD which includes the 96-minute telenovela drama *La comunidad*, as well as dozens of additional clips that help students practice their language skills and learn more about the culture of their Hispanic patients
- * New readings from external sources on medical topics that spark student discussion
- * Dozens of exercises from the original interactive DVD-ROM program have been incorporated into the textbook
- * A *Recursos* Web site with links to important language, culture, and health-related sites.
