Reader Note: *Please note that this is a shorter book. It isn't filled with unnecessary angst, is very graphic in description, and the scenes flow more quickly due to the story size.*

One drunken night, Shoshanna Clarke let her inhibitions go and said yes to Toby Mason. Sleeping with the town bad boy ends up completely changing her life.

Toby finally got the girl he wanted, despite the fact she doesn't know it yet. She's a good girl, and Toby is known for being a bad boy. But before Toby can tell Shoshanna he wants her for more than that one night, he has to leave town due to his father's death.

When Shoshanna finds out she is pregnant, she has no way to tell Toby he's the father. It isn't until Toby's return that she must finally face reality and tell him everything.

Can Toby put his bad boy ways behind him and give Shoshanna and his baby what they both deserve?
