Canadian Studies in the New Millennium, Second Edition Mark J. Kasoff, Patrick James

This popular textbook offers a thorough and accessible approach to Canadian Studies through comparative analyses of Canada and the United States, their histories, geographies, political systems, economies, and cultures. Students and professors alike acknowledge it as an ideal tool for understanding the close relationship between the two countries, their shared experiences, and their differing views on a range of issues.

Fully revised and updated, the second edition of *Canadian Studies in the New Millennium* includes new chapters on Demography and Immigration Policy, the Environment, and Civil Society and Social Policy, all written by leading scholars and educators in the field. At a time in which there is a growing mutual dependence between the US and Canada for security, trade, and investment, *Canadian Studies in the New Millennium* will continue to be a valuable resource for students, educators, and practitioners on both sides of the border.
