Mindfulness (Athlone Contemporary European Thinkers)

Martin Heidegger

Mindfulness (Athlone Contemporary European Thinkers) Martin Heidegger

This brand new translation of Martin Heidegger's *Mindfulness (Besinnung)* makes available in English for the first time Heidegger's second major being-historical treatise. Here Heidegger returns to and elaborates in detail many of the individual dimensions of the historically self-showing and transforming allotments of being. In addition to the main text, this volume also includes two further important texts, *A Retrospective Look at the Pathway (1937/8)* and *'The Wish and the Will (On Preserving What is Attempted)'* (1937/8), in which Heidegger surveys his unpublished works, gives instructions for their eventual publication, talks about his relationship to Catholic and Protestant Christianity, and reflects on his life's path. This is a major new translation of a key text from one of the most important thinkers of the twentieth century.

This volume is translated by Parvis Emad, Emeritus Professor of Philosophy at DePaul University, Chicago, and Thomas Kalary, Professor of Philosophy at Suvidya College, Bangalore.
