Rose of Jericho (Lilith Adams Vampire Series Book 2) Jenny Allen

When Lilith Adams accepted Detective Andrew Cohen's help to defeat the horror from her father's past, she knew she was making a deal with a devil. Now the true price of his help has come to light and the cost is beyond anything she could imagine. Lilith and Chance are forced into the service of a mysterious council whose cold brutality surpasses Ashcroft's maniacal revenge in their rabid desire for the Voyurich Manuscript.

The book, authored by Lilith's uncle 600 years ago, is not only incomplete, but also missing, due to a high tech robbery that has left baffling bodies in its wake. Now Lilith and Chance are scrambling for every lead as the impossible becomes real and everything that was once buried comes crawling into the light.

Nothing is guaranteed in the desperate race for the power hidden in the enigmatic book that holds all the ghosts of not only the past of Lilith's family but Cohen's as well. Every loyalty and bit of sanity is tested in the violent whirlwind of gripping terror that Lilith and Chance are thrown into. Caught between emotion-feeding demons, a vicious siren and an actual voodoo witch with a terrifying power, the real question is who will be left standing when the storm passes.
