Proofs of God: Classical Arguments from Tertullian to Barth Matthew Levering

Leading theologian Matthew Levering presents a thoroughgoing critical survey of the proofs of God's existence for readers interested in traditional Christian responses to the problem of atheism. Beginning with Tertullian and ending with Karl Barth, Levering covers twenty-one theologians and philosophers from the early church to the modern period, examining how they answered the critics of their day. He also shows the relevance of the classical arguments to contemporary debates and challenges to Christianity. In addition to students, this book will appeal to readers of apologetics.
