The Rain Before It Falls (Vintage Contemporaries) Jonathan Coe

As a young girl, Rosamond is sent to Shropshire to escape the Blitz. Here, in the countryside, she forms a close bond with her older cousin, Beatrix, a young woman haunted by anger and resentment.

Sixty years later, just before her death, Rosamond records her memories on cassettes, addressing them to a distant cousin—a near stranger—named Imogen. As Gill, her beloved niece, listens to these tapes, a heart—stopping family saga is revealed. In this masterful portrait of three generations of woman, Jonathan Coe exposes the profound reserves of hope and loss within the lives of ordinary woman.
