Without a DJ, there's no music, there's no party. The right music can make or break a party; promoters, club owners, and stars alike know this. In this memoir, successful turntablist DJ Shy narrates the story of how she became a sought-after DJ and the first female on-air mixer at the No. 1 radio station in America, 102.7 KIIS FM in Los Angeles.

*Beauty and the Beats* tells how this small-town girl from Pennsylvania made it to the big time in California. Shy describes how she - a poor, naïve, Asian girl from a broken home - overcame her life's challenges and the discrimination in the male-dominated music industry to thrive. From surviving a drive-by shooting and eluding midnight stalkers to being cheated on her paychecks, she shares her story and shows how she remained positive throughout her journey.

Providing a sneak peek into the music and entertainment industry, *Beauty and the Beats* provides motivation and inspiration to encourage teenagers to make sound career choices and follow their dreams to achieve happiness and success.
